Program Overview

WEEKDAYS - FOCUS TIME

Conduct your regular work, creative or passion project. Our community manager will coordinate a weekly group menu, and villa guests - where possible, are encouraged to contribute to menu ideas, meal preparation and clean up. If you prefer to prepare your own meals, this is possible. Our intention is to create community within the coliving villa and shared meals are often a highlight. On select days, we will have guest chefs, a swim coach, yoga and meditation teacher visit the coliving villa.

WEDNESDAY WORKSHOPS

We have a number of remote work, tourism, marketing and business experts in the coliving villa and nearby. These workshops are optional to attend. RSVP required. Spots limited.

MENTORS

Your chosen mentor will deliver your custom workshop in person or online. Times TBC.

FRIDAYS

Nomad Table dinners at local konobas. These are open to the public. RSVP required.

SATURDAYS

Meet the Makers: learn local culinary crafts with a series of masterclasses.

SUNDAYS

Free days. Private transport within Central Istria available.

Bookings required at least 48 hours in advance by email: hello@saltwaternomads.com. Open to public events are first come, first served. Attendance is confirmed by email.
