Program Details

WEEKDAYS - FOCUS TIME

Conduct your regular work, creative or passion project. Our community manager will coordinate a weekly group menu, and villa guests - where possible, are encouraged to contribute to menu ideas, meal preparation and clean up. If you prefer to prepare your own meals, this is possible. Our intention is to create community within the coliving villa and shared meals are often a highlight. On select days, we will have guest chefs, a swim coach, yoga and meditation teacher visit the coliving villa.

WEDNESDAY WORKSHOPS

We have a number of remote work, tourism, marketing and business experts in the coliving villa and nearby. These workshops are optional to attend and free.

MENTORS

Your chosen mentor will deliver your custom workshop in person or online.

FRIDAYS

Nomad Table dinners at local konobas. These are open to the public to attend.

SATURDAYS

Meet the Makers: learn local culinary crafts with our SIP, SWEET, GRATE-FUL and MEATLOVER masterclasses. *NB: We can adjust these based on dietary needs.*

SUNDAYS

Free days. Private transport within Central Istria available.
